460 Ventura Avenue, Oak View

This bike is the perfect companion for off-road jungle, adventures and hunting. The unique snakeskin pattern allows you to be extremely hidden in the forest. The 1500W super motor and 720Wh battery can provide you enough mileage. You can install the rear rack and the trailer to place your loot. This is an essential bicycle for those who like to explore.

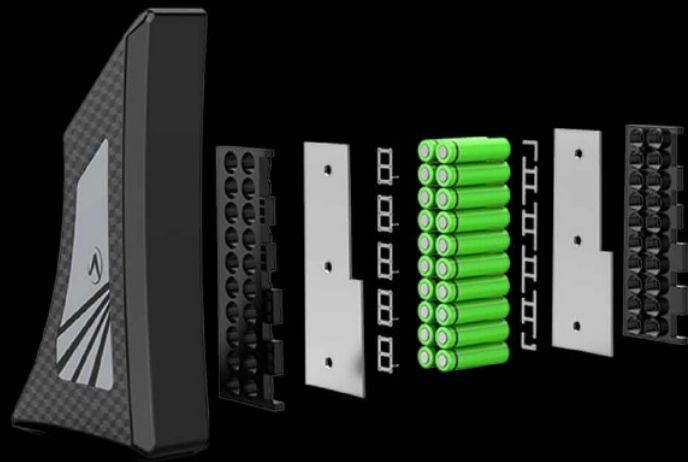

### Triangular Sporty Frame

The unique triangular frame increases the payload capacity of the bike to 300lb. The grey frame and black linear decals give the bike more sporty.

### 1500W Toothless Brush Motor

S18 1500W is coupled with a 1500W toothless brush motor with torque of 85Nm. The high-speed motor allows you to handle rough roads with ease.

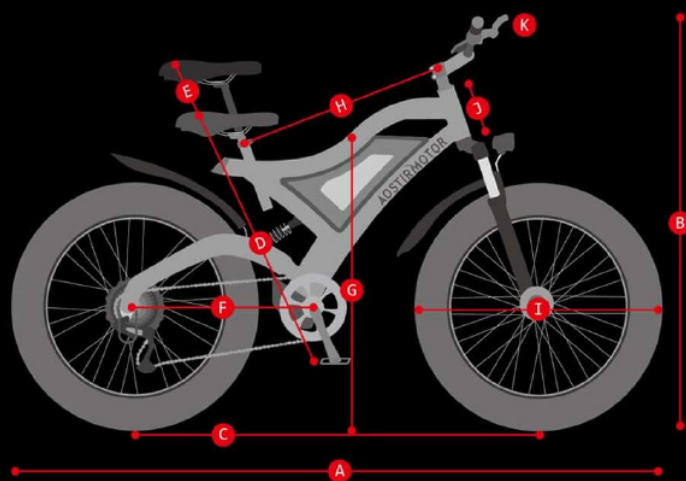

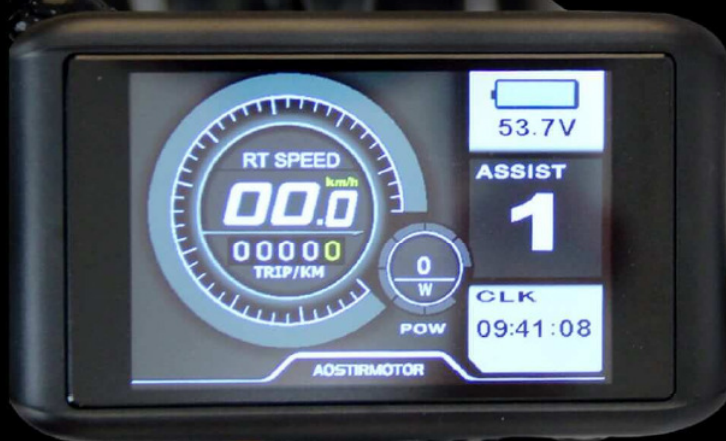

## 48V 15Ah Lithium Battery

48V 15Ah (720Wh) removable & upgradable lithium battery. The battery charging problem can be easily solved by choosing a removable battery frame.

## Backlit LCD Display

Backlit LCD display can monitor your speed, get your mile, battery capacity and other important metrics. Our meter is also equipped with a USB port, which can charge your devices.
