## Description

This Aostirmotor 500W S07-P Commuting and Hunting Electric Bike is a stylish city bike for commuting, daily riding, running errands, going on trips, and most of your travel needs. The body is lighter, more flexible, and stronger thanks to its aluminum alloy frame. At the same time, it comes with our SW display panel and fat tires, which are meant to give you a ride like no other. The 26 x 4.0 inch fat tire design provides the bicycle with excellent grip and traction on unpaved surfaces. Even on the most difficult terrain and in the harshest weather conditions, these fat tires keep you safe and give a smooth, easy ride for greater riding enjoyment. The S07-P also includes a robust aluminum alloy fork and a front light.

## 500W Motor With A Powerful Output

Powerful 500W motor and detachable 36V 13Ah lithium battery. It can ride 25-35km in pure electric mode.

## Three Riding Modes

There are three riding modes: Ebike, Pedal Assist, and Normal Peddling. High comfort, Three riding modes provide additional charm to your ride, and you may vary the riding mode at any moment for a unique riding experience!

## Granulated 26" x 4" Fat Tires

Enhance grip and traction on the toughest rugged terrain. It may provide a smooth and pleasant riding experience. You may experience the ultimate e-bike journey while riding on beaches, snow, gravel, rain, mud, sand, and even ice with ease.
